### DEMONSTRATIONS

Exhibitor shall observe the "good neighbor" policy at all times and not intrude upon or disrupt other exhibitors while they are conducting business on the Show floor. Exhibits should be conducted in a manner not objectionable or offensive to neighboring booths. All demonstrations and the use of photographers, musicians, entertainers, loud speakers, sound system equipment and noise-making devices must be restricted to within the exhibitor's booth. Entertaining attendees in booths must be arranged so that exhibitor's personnel and attendees do not block aisles or overlap into neighboring exhibits. Operation of any equipment for demonstration purposes must be pre-approved in writing by Show Management. Show Management reserves the right to determine when any demonstrations become objectionable or interfere with adjacent exhibit spaces and may, if necessary, require that they be discontinued.

### SOUND

Disruption or noise level from any demonstration or sound system must be kept to a minimum and may not interfere with others. The use of devices for mechanical reproduction of sound or music is permitted (up to 85 decibels), but must be controlled and not be projected outside the confines of the exhibit booth. No noise makers or anything not in keeping with the character and high standards of the Show may be distributed or used by exhibitor in the exhibit area. Show Management reserves the right to determine at what point a disruption or sound level constitutes interference with other exhibits and must be discontinued.
