As an exhibitor, your company profile is published on the MRO Americas web site, in the official program book. Exhibitors can enter profile information and select industry categories. All changes need to be made by 5 September 2018, or they will not appear in the printed materials. The marketing or primary contact on your account will receive login information to enter or change the profile and select categories.

If you are a returning exhibitor, your profile from last year already appears on the site. Please log into your account when you receive the notification and confirm whether you would like to repeat this listing or make changes.

If you are having trouble logging into your account to make changes please contact Allison Gold (allison.gold@aviationweek.com +1-646-233-4425)
